Profile Summary

Motivated 3rd-year Computer Science and Engineering student with experience in full-stack web development. Skilled in HTML, CSS, JavaScript, React.js, Node.js, Express.js, and cloud technologies. Passionate about building scalable applications and solving real-world problems through coding. Engaged in hackathons, coding challenges, and open-source contributions.

Education

Siksha 'O' Anusandhan University , Bhubaneswar B.Tech in Computer Science and Engineering	2022 – 2026 CGPA: 8.85 (till fifth semester)
Abhinav Bharti High School , Kolkata Class XII (CBSE)	2020 – 2021 Percentage: 84.5%
St. Mary's Convent School , Kolkata Class X (ICSE)	2018 – 2019 Percentage: 91%

Technical Skills

- **Languages:** C, C++, Python, JavaScript
- **Web Technologies:** HTML, CSS, JavaScript, Node.js, React.js, Express.js
- **Databases:** MySQL, MongoDB
- **Tools & Platforms:** Git, Docker, Firebase, VS Code
- **Cloud:** AWS (Basic), Firebase
- **Relevant Coursework:** Data Structures, Algorithms, Operating Systems

Projects

Simon Says Game • Implemented the game's core mechanics, user input validation, and level progression. • Used JavaScript for level progression, game memory, and event handling. • Modified the interface and controls for compatibility across PC and mobile devices	HTML, CSS, JavaScript
Dice Game Multiplayer dice game with turn-based gameplay. • Built using HTML, CSS, and JavaScript with a responsive layout. • Turn-based logic to simulate dice rolls and display winner	HTML, CSS, JavaScript
Blog Web App Full-stack blog platform supporting user-generated posts and routing. • Implemented features like user authentication, post creation, and dynamic routing. • Used MongoDB for storage and Express for server-side logic.	Node.js, Express.js, MongoDB

Hackathons & Achievements

- Participant in Smart India Hackathon (SIH), E-Summit Hackathons, and college tech fests.
- Finalist (Top 10) in intra-college competitive programming competitions.
- Solved 250+ problems on platforms like HackerRank and LeetCode.

Experience & Contributions

Mentor for Junior Students — Assisted peers in web development and DSA fundamentals.
Open Source Contributor — Contributed to GitHub repositories and improved code documentation.

Certifications

- Web Development - Udemy
- JavaScript Algorithms and Data Structures - Udemy
- Python Programming - HackerRank
